

## Boarding Agreement 2019-2020

Aboite Animal Clinic is constantly striving to provide your pet the best care possible. In order to provide this care, we have these requirements during your pets stay at our facility.

1. **ALL PET(S) MUST BE CURRENT ON VACCINES.** If vaccines are not current, we will automatically update these for you. We will also do an annual heartworm check if due. This will help insure the safety of your pet and other pets boarding with us.
2. **ALL PETS MUST BE CURRENT ON FECAL EXAMINATIONS.** If your pet is due for a fecal, done yearly, we will collect and process to make certain there are no intestinal parasites due to all pets sharing the same yard.
3. We require a **BORDETELLA** vaccination (also known as kennel cough). This is to prevent your pet and the pets of others against contamination/infection during their stay at our facility.
4. We reserve the right to treat your pet for any medical condition that may arise. This can range from simple flea/tick prevention to emergency situations.
5. Upon bringin your pet to be boarded with us, we will obtain an accurate weight. We also require an **EMERGENCY NUMBER** that you or a trusted family member/friend can be reached at in the event of an emergency.
6. As the responsible party, you agree to all cost related to the care of your pet while boarding at Aboite Animal Clinic
7. We are **NOT RESPONSIBLE FOR LOST or RUINED ARTICLES** left with your pet. To ensure that you have all items returned at time of pick up, we recommend putting your pet(s) name or your last name on all items left with permanent marker. All soiled articles will be washed, do not leave any items, e.g.; beds, that can be ruined in a washing machine. We appreciate your cooperation.

I, the client of Aboite Animal Clinic, have read the above policy and agree to financial responsibility for boarding charges and any other necessary care. I also agree to give Aboite Animal Clinic a set date of return to pick up my pet. If any changes in pick up should occur, I will notify Aboite Animal Clinic to make any further arrangements. If I do not return to pick up my pet for three days after the said date of pick up and do not notify Aboite Animal Clinic of any change of plans, Aboite Animal Clinic can consider my pet abandoned and will take proper steps for the continued care of the animal. I am aware that this agreement is affective from the date signed until January 1<sup>ST</sup> of the following year. I agree to contact Aboite Animal Clinic with any changes in emergency numbers and addresses when necessary.
